

CERTIFICATION CARB

In order to reduce the emissions from composite wood-based panels incorporated into the products used and intended for indoor living environments, all the items which contain wood-based panels are made using certified materials, conforming to the emission levels envisaged by the CARB (California Air Resource Board) and TSCA Title VI (Toxic Substances Control Act) standards.

The tables of the TOP TOP, FOUR, MAUI, MAX, MULTIPLO, GLOSSY, VISCOUNT OF WOOD and LUNAT collections, in the indoor versions, are CARB certified.
