**Composition** 50% PES, 35% PAC, 15% PA

**Martindale** 250.000

Kartell has decided to include the innovative Aquaclean® fabric, which can be cleaned with water and contains no PFC, a substance contained in most stain-resistant fabrics which pollutes the environment and is harmful to health.

This ecological fabric has a structure designed to simplify cleaning and strength, reducing the risk of accidental tearing sometimes caused by our pets.

It is also subject to Safe Front treatment, which prevents the proliferation of bacteria and dust mites.
